of the auditor to the general meeting

for the period from 9 May 2016 to 31 December 2017

Report of the auditor to the general meeting of the association Challenge to Change in Geneva.

In accordance with the terms of our engagement, we have reviewed the financial statements of **Challenge to Change** for the period from 9 May 2016 to 31 december 2017.

These financial statements are the responsibility of the committee, whereas our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Swiss Auditing Standard 910 (SAS 910) *Review Engagements*. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatements. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying financial statements, including balance sheet and profit and loss account, are not presented fairly, in all material respects, in accordance with the law and association statutes.
